

CONFLICTS OF INTEREST

Do any of these apply to you?

You have an outside job, have a consulting gig, or serve as a director at another entity.

A family member works for one of our suppliers or customers.

You have an ownership interest or management role in an outside entity.

Based on your role at USC, you are offered gifts or other special benefits from a third party.

You have or are considering activities that may create conflict of interest with your obligations to USC.
