Effective January 25, 2023, the NIH has made the following changes to forms to accommodate DMS plan requirements:

An “Other Plans” field has been added to the PHS 398 Research Plan Form and PHS 398 Career Development Award Supplemental Form to allow for upload of the DMS plan.

A recommended Data Management and Sharing Plan format page has been added. DMS Plans generated using other approaches are also accepted.

The requested direct costs must be indicated as “Data Management and Sharing Costs” as follows:

- R&R Budget Form: single line item in “Section F. Other Direct Costs”
- PHS 398 Modular Budget Form: as text embedded within the Additional Narrative Justification

A brief summary of the DMS Plan and a description of the requested Data Management and Sharing Costs must be included within the budget justification attachment, as follows:

- R&R Budget Form: Section L. (“Budget Justification”)
- PHS 398 Modular Budget Form: Additional Narrative Justification
